

**GLASSGUARD™**  
*ez clean protection*

**OUR FACTORY APPLIED  
GLASS COATING CANNOT  
BE WASHED AWAY!**

**REPELS DIRT, SOAP SCUM AND  
HARD WATER.**

**KEEPS GLASS LOOKING NEW,  
LASTING LONGER.**

## **GLASSGUARD™ Care & Maintenance**

- **After Each Use:** dry glass with a towel or squeegee.
- **Once a Month:** lightly rub with water and a mesh body puff in a circular motion. Rinse & dry as usual.
- **Approved Cleaning Products:** white household vinegar diluted with water (1:3 ratio), rubbing alcohol, Sprayway®, Simple Green®, Seventh Generation™, Natural Glass & Surface Cleaner, Ammonia-Free Windex®, non-ammonia (pH neutral) glass cleaners or a vinegar & water solution.
- **Refrain From Using:** *ammonia, bleach, chemical cleaners or any hard, scratchy, abrasive tools.*
